THURSDAY MORNING, MAR. 18, 1880, the brook trout,

dissolve next Tuesday has lasted in the matter of artificial propagalonger, with the exception of two, tion. There is no other form of than any Parliament since the first animal food that costs so little to proof George III. The Parliament of duce as fish, and very few that are 1820-26 was in existence six years, so nutritious and desirable. one month and nine days, and that six days, whereas the present will have lived eix years and eighteen days-a much longer time than it was expected to last when Beaconsfield, then Benjamin Dierasii, was made prime minister. It is though the new Parliament will assemble in

### UTAH NAMES,

It has been suggested, and the idea mittee, reported a bill to complete the is a good one, that something be published and thus placed on record Burnside introduced a bill for the of the county and tawn nomenclature of Utab. There are twenty-three counties in the territory, and while the reasons for attaching certain are resumed consideration of the Starnames to most of them are apparent routs deficiency bil, the pending and well known, why the special question being on the committee names were given to others, and what amendment prohibiting an increase significance there is in them, are conundrums even to the residents of the counties themselves. Bex Elder, instances that illustrate. We nodestake to say that comparatively tow.

The amendment prohibiting the expedition of service to a rate of pay the names above were given to those exceeding 50 per cent, of the original geographical sections. Kane was named in honor of General Thomas for the committee on appropriations L. Kane, Millard in honor of President Additional section to the bill apdeat Millard Fillmore, Rich in propriating \$50,000 for public printing honor of General C. C. Rich, Washing Congressional Record, it being ington in honor of "the father of his country," and Emery in honor of our late governor. There is fitness in the name of Iron Country, Davis and Morgan were doubtless named and Morgan were doubtless named get through as so m as this bill, and for men, but who and why? The an immediate appropriation should reasons for naming Salt Lake, Sum- be made for the necessary printing. mit and Wasatch are apparent in the saying onless immediate appropria-geography of the respective counties. White favored the amenJment, saying onless immediate appropria-tions were made the entire business Besides the peculiar numericature of of the printing office would be stopped the counties there are between 300 after this week. The amendment and 400 cities, towns, villages, cettle- was agreed to. ments and cross-roads in the territory, each with its particular name, and some of them with remarkably queer names. There must have been special reasons for the selection of each of these titles, and it to the selection of each of these titles, and it to the selection of each of these titles, and it to the selection of each of these titles, and it to the selection of each of these titles, and it to the selection of each of these titles, and it to the selection of each of these titles, and it to the selection of each of these titles, and it to the selection of each of these titles, and it to the selection of each of the selection of each would be interesting and here-ing thereon." after prove useful to know just Ingalis asked at whom this pre-why the names were applied.

Beck said he himself thought the Honeyvide, Cub Hill, Panguitch, Pin-to, Levan, Pahreab, Kanab, Kamas, demned, but in fact it was a legal Pettyville and Lea, are some of the many strange names of Urah towns and postoffices. Whose inventive genius has been taxed to fix these special these special times and what size of the special times and what size of the second of the special times are some of the many strange names of Urah towns and postoffices. Whose inventive word "ratification," the words "or condemnation" and striking out the deep-seated purpose of the democratic side to prevent this disaster which their party leaders were by its vois would stop this miser business. Burroughs declared that it was the deep-seated purpose of the democratic side to prevent this disaster which their party leaders were by its vois would stop this miser business. Burroughs declared that it was the deep-seated purpose of the democratic side to prevent this disaster which their party leaders were by its vois would stop this miser business. Burroughs declared that it was the deep-seated purpose of the democratic side to prevent this disaster which their party leaders were by its vois would stop this miser business. Burroughs declared that it was the deep-seated purpose of the democratic side to prevent this disaster which their party leaders were by its vois would stop this miser business. Burroughs declared that it was the deep-seated purpose of the democratic side to prevent this disaster which their party leaders were by its vois would stop this miser business. Burroughs declared that it was the democratic side to prevent this disaster which their party shaders were by its vois would stop this miser business. Burroughs declared that it was the democratic side to prevent the disaster which their party with their party shaders. special has been taxed to fix these special than the special to the postic, historical, and remaining the postic, historical, and remaining the postic, historical, and remaining the postic historical hist mantic christenings? It those who names were called into existence, and why they were applied to particular cities, towns or counties, will see the called the condemn the departicular cities, towns or counties, will see the condemn the departicular cities, towns or counties, will see the called that the presidence would lose them both Congress and the presidence of the caption. He called that the presidence would lose them both Congress and the presidence of the caption. communicate this facts to the ment's action, and therefore by implication approved it.

HERALD, we will chearfully publish the stories, which cannot be otherwise than entertaining and increase wise than entertaining and increase mendment as that proposed by the committee.

Senate did not condemn the department's action, and therefore by implication approved it.

Bisine thought the Senate would make itself ridiculous by such an amendment as that proposed by the committee.

### PISCICULTURE.

Congress has, we believe-or soon will do so-appropriated \$20,000 to on Kirdwood's amendment, saying enable Prof. Baird, the fish commissioner to exhibit American feed inserted it should be by a recorded sioner, to exhibit American food wote, fishes of the Leternational Fishery The ammendment was rejected— Exhibition to be held in Berlin next year 28, nays 34.

The expenditure of the mittee's amendment. money cannot fail to prove a wise and interes amendment.

Teller said the bill could not be judicious investment. The propagaconstrued as a ratification of anything. He was auxious to have the bill passed, but would vote against it. If this clause was inserted he would not traduce an officer who, he believed, acted wisely and for the greatest number. Edmunds favored the amendment, The years. Every spring millions of the young fishes are turned out of the hatcheries into the bays of Rhode Island, Massachusetts, Maine and Connecticut, and that the corvenient supply of these excellent spoeies is kep; up is largely due to this artificial propagation. Lately, won eies is kep! up is largely due to this artificial propagation. Lately, won derful progress has been made in restocking the depleted inland waters of the northeastern states. Rivers and creeks that for decades had been without fish are now inhabited by myriads of the finny tribe. Through the liberal policy of some of the states bordering on the northern lakes, fish culture is being carried on to a large extent. A few years ago it was ditcovered that the far-famed white fish, extent. A few years ago it was discovered that the far-'amed white fish, once so plentiful in Lake Michigan, were becoming scarce. Indeed, the demands of commerce and the industry of fishermen made such introdes upon the species that it was threatened with extinction. The Wisconsin legislature saw the danger, and to provide a remedy established a fish hatchery at Milwaukee. The a fish hatchery at Milwaukee. The covered was amended, was agreed to.

Davis (W. Vs.), for the committee, seps in Fr'isco.

REGULAR SESSION.

SENATE.

Washington, 17.—The bill remov-og the political disabilities of Roger A. Pryor was passed.
Hampton, from the military com-

ermanent construction of a fund for is navy. Referred. Pending debate on private bills, the of trips on Star routes during the remainder of the fiscal year Blaine, Plumb and Call opposed the smendment, and Davis (W. Va.),

Carbe, June, Sampete and Tooele are Beck and Sanisbury advocated. The

contract price was agreed to.

Davis, of West Virginis, submitted

opinion pending an investigation by

the House.

Eston called for the yeas and pays

Washington, 17.—The House went into committee of the whole on the deficiency appropriation bill.

Hayes, from the committee, defended the public printer from attacks

out of the printing fond for political purposes. McMeton had made an purposes. McMston had made an uncontradicted statement that demo

ferred Garfield to the nullification record of the republican party o risive laughter on the republican ede.)
He warned republicans that it would be usaless for them to flaunt the bloody shirt before the American people. He wished there was a states man on the other side willing to rise above party strife, who could, like above party strife, who could, 1835 the affective says no prohibition of the first country besides mere party, who could overlook the part for a little while and let the country prepare for the great trials of the future. He alluded to the Monroe dectrine in connection with the inter-cessive canal No. with the inter-oceanic canal. No one could tell where the resolution which Congress would adopt on that subject would lead the country, and yet goatlemen on the other side were charging representatives from the south as being here only through fraud and violence. Instead of that they should cultivate good feeling be-tween the sections, to that when trouble came it could be met by a united country. These intestinal divisions only invited an attack which would come sooner or later from the combined foreign powers, and in the meantime the ports of Boston and

pean power. Coming back to the immediate discussion of the bill, he remarked that the mere fact of the supervisor law having been declared constitutional by the Supreme Court bent on Congress to make appropria-tions to carry it out. Garfield had misquoted bim.

New York, and every other support of the country, were open to attack from the iron-clad fleets of any Enra-

Garfield said republicans had made standing offer of that kind. Warner defended the power of Con-ress to control legislation through

Burroughs depicted the selements which were arising in all parts of the country seeking to destroy it, and now more than ever law-makers should be law observers. If McMahon chose to go before the people with the declaration that his people with the declaration that his parly had not obsyed and would not have regretted it for the Chicago convention. the party's sake. The freezing win ter and thawing summer had only driven his colleague into deeper madness. He appealed to others on the democratic side to prevent this dis-

make itself foliculous by each an amendment as that proposed by the committee.

Beck thought it was only a declaration that the Senste reserves its weaver, in the name of the third party, demanded peace,

The general debate closed and the bill was read by sections for amend Singleton, chairman of the com-mittee on printing, offered an amend-

ment changing the method of electing the congressional printer. McMahon antagonized it by a point

The speaker discossed thoroughly the points of order involved, and de-cided the amendment out of order. This was the first decision under the

Naughty Mrs. Christiancy.

Washington, 17.—The young wife of Minister Curistiancy, formerly an employe of the treasury department, returned to Washington several months ago, and rumors were then current that her return was anot and Peru, but that there was and wife arising from incompatibility of temper, and the very great disparity of their ages. The Star, this evening, rays it is now understood that some of Minister Christiancy's friends who have, at his request, recently reached. of temper, and the very great disparity of their ages. The Star, this evening, says it is now understood that some of Minister Christiancy's friends who have, at his request, investigated certain stories which recently reached him in Peru, have reported to him that he has good and sufficient grounds for a divorce. The star says it is further informed that it is probable some such proceedings will be

W. F. & CO.'S EXPRESS.

Strong Pleas for Its Continuauce in the Letter Carry. ing Business. Ean Francisco, 17 .- Black Hawk vies an assessment of 25c.
The report of the commission ap-

pointed by the postmaster general to to examine into the operations and effect of the letter express business of Der 1st. - By Balance in Treasury Wells, Fargo & Co. has called forth strong demonstrations from much the city and state. The Call save the report is unaccompanied by any argu-ment worthy of the name. Every person who sends a letter by express does so because he thinks be crats would appropriate nothing for special deputy marshals, and that they cared nothing whether the law was constitutional or not; thus the contempt for the supreme court, which had declared it constitutional.

McMahon said Hayes and Burrough and specify transmission, than if he entrusted it to the mail. If there was no additional security the public would soon find it out, and the carrying of letters by express would cease. roughs bad insulted individual members of the democratic party, and these insults were baseless. He referred Garfield to the sults were baseless. He referred Garfield to the sults were baseless. inestimable advantage. Even at present, when mail facilities are much improved there is a certain advantage in sending letters over cer-tain routes by this mode. Until it is shown that the revenues of the department are injuriously affected by the carrying of letters by private companies, the report will be regarded as based on very slight pretences.

The Bulletin says no prohibition of the kind should be made. The

letters to remote mining camps where there were no mail facilities of where they are wholly inalequate. Moreover, this company has carried valuable letters not only with greater dispatch, but with a far greater mea ure of exlety, and although the post office service has been greatly im proved on the Pacific Coast, it is often by mail. One other fact, the express mpany, by reason of this serv has actually increased the postoffice revenue. It has done this by carry postoffice facilities, so that without the aid of the express no letters could be sent to remote places.
